The appendices reprint or summarize key warranty laws and contain various practice aids. The Magnuson-Moss Warranty Act and the Federal Trade Commission’s Magnuson-Moss Rules, relevant sections of the federal National Manufactured Housing Construction and Safety Standards Act, and the Federal Trade Commission’s Used Car Rule are reprinted in Appendices A–D [1], infra, respectively. Appendix E [2], infra, reprints relevant provisions from UCC Articles 1, 2, and 2A, with their official comments. Appendices F [3], G [4], and H [5], infra, are state-by-state summaries of lemon laws, service contract statutes, and warranty laws for new homes and condominiums, respectively.

Appendix I [6], infra, contains a sample notice of rejection or revocation of acceptance and a notice of withholding of payments to offset the buyer’s damages. Appendix J [7], infra, summarizes the sample pleadings found on the digital version of this treatise. Appendix K [8], infra, lists useful websites.

Both the digital and print versions have an index to the book.
