The treatise’s digital version, found at www.nclc.org/library, also includes pleadings and discovery, practice tools, and additional primary sources. They are listed at the bottom of the treatise’s table of contents found in the left pane and are also fully searchable. Search filters allow users to search only for pleadings, only for primary sources, or only for practice tools. Searching for pleadings is recommended using the Advanced Pleadings Search tool found above the Search box.
