Nearly every year there are a variety of efforts to amend the Bankruptcy Code, rules, and official forms. Some of these efforts come to fruition and others do not. Careful attention to the progress of those amendments and their effective dates is required.

In addition, potential changes to the rules and forms are almost always percolating through the system. The progress of proposed amendments can be tracked at the United States Courts’ website.103

Changes are made to this treatise through digital updates reflecting changes in the law as of their publication deadlines.
