

## Debts Outstanding

This is a sample listing of a family's debts that are still due in the current month. The source of your debts, amounts and interest rates will be different than in this sample. For credit card debts, include either the minimum payment due or another amount if that is what you regularly pay each month.

<b>[Month] Debts</b>	<b>Monthly Payment Due</b>	<b>Current Balance</b>	<b>Interest Rate</b>	<b>Paid Off By</b>
