

the public. The Bureau's Regulation C (12 CFR part 1003) implements HMDA.

Prior to 1997, HMDA exempted certain depository institutions as defined in HMDA (*i.e.*, banks, savings associations, and credit unions) with assets totaling \$10 million or less as of the preceding year-end. In 1996, HMDA was amended to expand the asset-size exemption for these depository institutions. 12 U.S.C. 2808(b). The amendment increased the dollar amount of the asset-size exemption threshold by requiring a one-time adjustment of the \$10 million figure based on the percentage by which the CPI-W for 1996 exceeded the CPI-W for 1975, and it provided for annual adjustments thereafter based on the annual percentage increase in the CPI-W, rounded to the nearest multiple of \$1 million.

The definition of "financial institution" in § 1003.2 provides that the Bureau will adjust the asset threshold based on the year-to-year change in the average of the CPI-W, not seasonally adjusted, for each 12-month period ending in November, rounded to the nearest \$1 million. For 2016, the threshold was \$44 million. During the 12-month period ending in November 2016, the average of the CPI-W increased by 0.8 percent. This increase results in no change to the asset-size threshold when rounded to the nearest \$1 million. Thus, the exemption threshold will remain at \$44 million. Therefore, banks, savings associations, and credit unions with assets of \$44 million or less as of December 31, 2016, are exempt from collecting data in 2017. An institution's exemption from collecting data in 2017 does not affect its responsibility to report data it was required to collect in 2016.

II. Procedural Requirements

A. Administrative Procedure Act

Under the Administrative Procedure Act (APA), notice and opportunity for public comment are not required if the Bureau finds that notice and public comment are impracticable, unnecessary, or contrary to the public interest. 5 U.S.C. 553(b)(B). Pursuant to this final rule, comment 2(Financial institution)-2 in Regulation C, supplement I, is amended to update the exemption threshold. The amendment in this final rule is technical and non-discretionary, and it merely applies the formula established by Regulation C for determining any adjustments to the exemption threshold. For these reasons, the Bureau has determined that publishing a notice of proposed rulemaking and providing opportunity

for public comment are unnecessary. Therefore, the amendment is adopted in final form.

Section 553(d) of the APA generally requires publication of a final rule not less than 30 days before its effective date, except (1) a substantive rule which grants or recognizes an exemption or relieves a restriction; (2) interpretive rules and statements of policy; or (3) as otherwise provided by the agency for good cause found and published with the rule. 5 U.S.C. 553(d). At a minimum, the Bureau believes the amendments fall under the third exception to section 553(d). The Bureau finds that there is good cause to make the amendments effective on January 1, 2017. The amendment in this final rule is technical and non-discretionary, and it applies the method previously established in the agency's regulations for determining adjustments to the threshold.

B. Regulatory Flexibility Act

Because no notice of proposed rulemaking is required, the Regulatory Flexibility Act does not require an initial or final regulatory flexibility analysis. 5 U.S.C. 603(a), 604(a).

C. Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506; 5 CFR 1320), the agency reviewed this final rule. No collections of information pursuant to the Paperwork Reduction Act are contained in the final rule.

BUREAU OF CONSUMER FINANCIAL PROTECTION

12 CFR Part 1026

Truth in Lending Act (Regulation Z) Adjustment to Asset-Size Exemption Threshold

AGENCY: Bureau of Consumer Financial Protection.

ACTION: Final rule; official interpretation.

SUMMARY: The Bureau is amending the official commentary that interprets the requirements of the Bureau's Regulation Z (Truth in Lending) to reflect a change in the asset-size threshold for certain creditors to qualify for an exemption to the requirement to establish an escrow account for a higher-priced mortgage loan based on the annual percentage change in the average of the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) for the 12-month period ending in November. The exemption threshold is adjusted to increase to \$2.069 billion from \$2.052 billion. The adjustment is based on the .8 percent increase in the average of the CPI-W for the 12-month period ending in November 2016. Therefore, creditors with assets of less than \$2.069 billion (including assets of certain affiliates) as of December 31, 2016, are exempt, if other requirements of Regulation Z also are met, from establishing escrow accounts for higher-priced mortgage loans in 2017. This asset limit will also apply during a grace period, in certain circumstances, with respect to transactions with applications received before April 1 of 2018. The adjustment to the escrows exemption asset-size threshold will also increase a similar threshold for small-creditor portfolio and balloon-payment qualified mortgages. Balloon-payment qualified

mortgages that satisfy all applicable criteria, including being made by creditors that have (together with certain affiliates) total assets below the threshold, are also excepted from the prohibition on balloon payments for high-cost mortgages.

DATES: This final rule is effective January 1, 2017.

SUPPLEMENTARY INFORMATION:

I. Background

The Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) amended TILA to add section 129D(a), which contains a general requirement that an escrow account be established by a creditor to pay for property taxes and insurance premiums for certain first-lien higher-priced mortgage loan transactions. TILA section 129D also generally permits an exemption from the higher-priced mortgage loan escrow requirement for a creditor that meets certain requirements, including any asset-size threshold the Bureau may establish.

In the 2013 Escrows Final Rule,¹ the Bureau established such an asset-size threshold of \$2 billion, which would adjust automatically each year, based on the year-to-year change in the average of the CPI-W for each 12-month period ending in November, with rounding to the nearest million dollars.² In 2015, the Bureau revised the criteria for small creditors, and rural and underserved areas, for purposes of certain special provisions and exemptions from various requirements provided to certain small creditors under the Bureau's mortgage rules.³ As part of this revision the Bureau made certain changes that affect how the asset-size threshold applies. The Bureau revised

§ 1026.35(b)(2)(iii)(C) and its accompanying commentary to include in the calculation of the asset-size threshold the assets of the creditor's affiliates that regularly extended covered transactions secured by first liens during the applicable period. The Bureau also added a grace period from calendar year to calendar year to allow an otherwise eligible creditor that exceeded the asset limit in the preceding calendar year (but not in the calendar year before the preceding year)

to continue to operate as a small creditor with respect to transactions with applications received before April 1 of the current calendar year.^{4 5} For 2016, the threshold was \$2.052 billion.

During the 12-month period ending in November 2016, the average of the CPI-W increased by .8 percent. As a result, the exemption threshold is increased to \$2.069 billion for 2017. Thus, if the creditor's assets together with the assets of its affiliates that regularly extended first-lien covered transactions during calendar year 2016 are less than \$2.069 billion on December 31, 2016, and it meets the other requirements of § 1026.35(b)(2)(iii), it will be exempt in 2017 from the escrow-accounts requirement for higher-priced mortgage loans and will also be exempt from the escrow-accounts requirement for higher-priced mortgage loans for purposes of any loan consummated in 2018 for which the application was received before April 1, 2018. The adjustment to the escrows exemption asset-size threshold will also increase the threshold for small-creditor portfolio and balloon-payment qualified mortgages under Regulation Z. The requirements for small-creditor portfolio qualified mortgages at § 1026.43(e)(5)(i)(D) reference the asset threshold in § 1026.35(b)(2)(iii)(C). Likewise, the requirements for balloon-payment qualified mortgages at § 1026.43(f)(1)(vi) reference the asset threshold in § 1026.35(b)(2)(iii)(C). Under § 1026.32(d)(1)(ii)(C), balloon-payment qualified mortgages that satisfy all applicable criteria in § 1026.43(f)(1)(i) through (vi) and (f)(2), including being made by creditors that have (together with certain affiliates) total assets below the threshold in § 1026.35(b)(2)(iii)(C), are also excepted from the prohibition on balloon payments for high-cost mortgages.

II. Procedural Requirements

A. Administrative Procedure Act

Under the Administrative Procedure Act (APA), notice and opportunity for public comment are not required if the Bureau finds that notice and public comment are impracticable, unnecessary, or contrary to the public

interest. 5 U.S.C. 553(b)(B). Pursuant to this final rule, comment 35(b)(2)(iii)-1 in Regulation Z is amended to update the exemption threshold. The amendment in this final rule is technical and merely applies the formula previously established in Regulation Z for determining any adjustments to the exemption threshold. For these reasons, the Bureau has determined that publishing a notice of proposed rulemaking and providing opportunity for public comment are unnecessary. Therefore, the amendment is adopted in final form.

Section 553(d) of the APA generally requires publication of a final rule not less than 30 days before its effective date, except (1) a substantive rule which grants or recognizes an exemption or relieves a restriction; (2) interpretive rules and statements of policy; or (3) as otherwise provided by the agency for good cause found and published with the rule. 5 U.S.C. 553(d). At a minimum, the Bureau believes the amendments fall under the third exception to section 553(d). The Bureau finds that there is good cause to make the amendments effective on January 1, 2017. The amendment in this notice is technical and applies the method previously established in the agency's regulations for automatic adjustments to the threshold.

B. Regulatory Flexibility Act

Because no notice of proposed rulemaking is required, the Regulatory Flexibility Act does not require an initial or final regulatory flexibility analysis. 5 U.S.C. 603(a), 604(a).

C. Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506; 5 CFR 1320), the agency reviewed this final rule. No collections of information pursuant to the Paperwork Reduction Act are contained in the final rule.

⁴ See 80 FR 59943, 59951 (Oct. 2, 2015).

⁵ The Bureau also issued an interim final rule in March 2016 to revise certain provisions in Regulation Z to effectuate the HELP Rural Communities Act's amendments to TILA (Pub. L. 114-94, section 89003 (2015)). The rule broadened the cohort of creditors that may be eligible under TILA for the special provisions allowing origination of balloon-payment qualified mortgages and balloon-payment high-cost mortgages, as well as for the escrow exemption. See 81 FR 16074 (Mar. 25, 2016).

E. Under § 1026.35(b)(2)(iii)(C), the \$2,000,000,000 asset threshold adjusts automatically each year based on the year-to-year change in the average of the Consumer Price Index for Urban Wage Earners and Clerical Workers, not seasonally adjusted, for each 12-month period ending in November, with rounding to the nearest million dollars. The Bureau will publish notice of the asset threshold each year by amending this comment. For calendar year 2017, the asset threshold is \$2,069,000,000. A creditor that together with the assets of its affiliates that regularly extended first-lien covered transactions during calendar year 2016 has total assets of less than \$2,069,000,000 on December 31, 2016, satisfies this criterion for purposes of any loan consummated in 2017 and for purposes of any loan consummated in 2018 for which the application was received before April 1, 2018. For historical purposes:

4. For calendar year 2016, the asset threshold was \$2,052,000,000. Small Business Size Standards for Manufacturing; Correction

AGENCY: U.S. Small Business Administration.

ACTION: Correcting amendments.

SUMMARY: The U.S. Small Business Administration (SBA) is correcting a final rule that appeared in the **Federal Register** on January 26, 2016 (81 FR 4469). The rule increased small business size standards for a number of industries in North American Industry Classification System (NAICS) Sector 31–33, Manufacturing. The rule also stated that SBA was amending Footnote 5 to the table of size standards relating to NAICS 326211, Tire Manufacturing (except Retreading), to reflect the current Census Product Classification Codes 3262111 and 3262113. However, SBA inadvertently omitted code 3262111 from the revised text in Footnote 5. This action corrects the omission. This correction does not affect the 1,500-employee small business size standard for NAICS 326211.

DATES: Effective December 21, 2016.

FOR FURTHER INFORMATION CONTACT: Dr. Jorge Laboy-Bruno at (202) 205–6618 or sizestandards@sba.gov, Office of Size Standards, U.S. Small Business Administration, 409 Third Street SW., Washington, DC 20416.

SUPPLEMENTARY INFORMATION: On January 26, 2016, SBA published a final rule implementing changes to the size standards for a number of industries in NAICS Sectors 31–33, Manufacturing (81 FR 4469). As discussed in the preamble of the rule, SBA intended to amend paragraphs (a) and (b) of Footnote 5 to the table of size standards relating to NAICS 326211, Tire Manufacturing (except Retreading), by replacing the former Census classification codes 30111 and 30112 with the new Census Product Classification Codes 3262111 and 3262113. However, the amended text inadvertently omitted the new Census Product Classification code 3262111. This action corrects that omission, but does not affect the 1,500-employee small business size standard for NAICS 326211.

Airworthiness Directives; Saab AB, Saab Aeronautics (Formerly Known as Saab AB, Saab Aerosystems) Airplanes

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Final rule.

SUMMARY: We are adopting a new airworthiness directive (AD) for certain Saab AB, Saab Aeronautics Model SAAB 2000 airplanes. This AD was prompted by an occurrence that was reported of rudder pedal restriction on a SAAB Model 2000 airplane with the large potable water system (LPWS) installed, equipped with in-line heaters. This AD requires installation of shrinkable tubes on the water piping of the basic potable water system (BPWS). We are issuing this AD to address the unsafe condition on these products.

DATES: This AD is effective January 25, 2017.

The Director of the Federal Register approved the incorporation by reference of a certain publication listed in this AD as of January 25, 2017.
