

Debts Outstanding

This is a blank form for listing a family's debts that are still due in the current month. The source of your debts, amounts, and interest rates will be different than in this sample. For credit card debts, include either the minimum payment due or another amount if that is what you regularly pay each month.

[Month] Debts	Monthly Payment Due	Current Balance	Interest Rate	Paid Off By
1st mortgage				
2nd mortgages (include all 2nd mortgages)				
Car loan or lease payment				
Discover card				
Visa card				
Payday loan
